SEXUAL HARASSMENT AND GRIEVANCE COMMITTEE UNDER POSCO ACT

Our school is unwavering in our commitment to providing a superior, child-centered education within a secure and nurturing learning environment, where we actively champion values and ethos. We firmly assert that all children have an unequivocal right to access education in a safe, protective, and conducive environment for their holistic development.

Recognizing the prevalence of gender inequality, eve teasing, and sexual abuse in school settings, we are resolute in our efforts to raise awareness and foster collaboration among parents, teachers, and schools to address these critical issues. Aligned with the Supreme Court Judgement and guidelines for the effective enforcement of the basic human right of Gender Equality and guarantee against sexual harassment and abuse, particularly in workplaces and schools, we are taking robust measures to create awareness about sexual exploitation among school children.

To ensure the safety and security of children and women working in our school, we have established a resolute Sexual Harassment and Grievance Committee under the POCSO Act 2012. This committee, constituted for the academic session 2024-25, is comprised of the following assertive members.
